A Policy on Facilities & Amenities for Differently Abled (DIVYANGJAN)

1. Preamble

With its vision, goal, and values, SRM University Sikkim is dedicated to ensuring that all of its students and employees are treated fairly, justly, and impartially. The university's motto represents the fundamental concept of nurturing and caring, which develops into a finely woven symbiotic system where care is given to all of its constituents and stakeholders. The policy had already been developed by the University under the guidance of "The Persons with Disabilities (Equal Opportunities, Protection of Rights and Full Participation) Act, 1995," with its non-discriminatory and inclusive approach toward the differently abled and providing facilities and amenities to them. Being a self-financed university, SRM University Sikkim is committed to make a substantial contribution toward the broad goals of the aforementioned act, which include ensuring that the disabled play a significant and essential role in the development of the country.

2. Purpose

- To ensure that disabled students and staff receive equal opportunity and the necessary facilities without discrimination based on their kind of disability, age, gender, physical ability, or any other socioeconomic or demographic factors.

- To maintain a climate free of any unwelcome harassment of disabled people and to guarantee a welcoming and barrier-free environment for their studies and works.

3. Policy Statement

- SRM University Sikkim is dedicated to giving people with disabilities access to inclusive education in a supportive and inspiring atmosphere, giving them equal opportunity to realize their potential, and eradicating all forms of stigma so that they can become responsible adults.
- The institute will create a disabled-friendly environment, paying particular attention to some of the common issues with independent functioning and mobility faced by the differently abled, and will provide the adequate amenities to differently abled students, staff members, and visitors to the campus.
