Foreword

SRM University Sikkim takes great pride in announcing the successful completion of the Placement season 2021-22. The University extends heartfelt thanks to its recruiters for their continuous trust and hopes to build a harmonious association in the upcoming academic years.

SRMUS had the privilege of hosting some of the biggest names from the industry for placements this year. 168 companies participated in the campus drives to recruit from our talent pool. The University maintained its assignation with the regular recruiters, who again showed immense faith in the students for building future leaders. There was a substantial rise in the number of new recruiters and offers made over the previous year, thus emphasizing the ever-increasing reach of SRMUS.

At the heart of this success, is the constant support from the faculty/staff members, alumni, students, and all those who have been a great source of support and encouragement in the smooth conduct of the placement process. We also thank our Hon'ble Vice-Chancellor, Prof. Ch. Satish Kumar who has always been a pillar of support to us in all our endeavors, without his backing and strong conviction, this would have been extremely difficult to achieve.
