**SRM** UNIVERSITY *SIKKIM*

Table of Contents

From the Founder Chancellor,

SRM University Sikkim

"It is not just an aspiration but our firm resolve to make SRM University at Sikkim into a leading centre of higher education."

Dr. T. R. Paarivendhar

Chancellor

From the Chancellor,

SRM University Sikkim

"SRM University Sikkim strives to bring about a paradigm shift in infrastructure, faculty, teaching and learning processes driven by innovative methods and technologies."

Dr. T. P. Ganesan,

B.E. (Hons.), M.Sc. (Engg.), Ph.D., F.I.E. (India)

Chancellor

From the (i/c) Vice Chancellor and Registrar
SRM University Sikkim

"SRM University Sikkim offers a vibrant mix of study programmes ranging from Management, Information Technology, Tourism and Hospitality to Humanities and Vocational Studies. It aims at a learner-centered, industry-relevant, job-oriented education with a special emphasis on building professional skills, fostering free-thinking and creativity in a highly facilitative infrastructure".

Prof. Ch. Satish Kumar

(i/c) Vice Chancellor and Registrar

From the Chief Placement Officer
cum Associate Dean | Faculty of IT, Management & Commerce
SRM University Sikkim

Dear Recruiter,

It gives me an immense pleasure to present our students of SRM University Sikkim for final placements. The SRM University Sikkim family is driven by the purpose of developing a continuous and a strong industry-academia interaction which helps the University to understand the dynamics of challenges faced by the industry which forms the building block of curriculum reviews and case based teaching methodology by different Schools. We are transforming our students to take up challenges of the corporate world. If you are looking for best groomed students from North-East India, SRM University Sikkim is one of the best choice that can meet your expectations to add to your Organization's Human Resource. Our alumni have also made us proud time and again by achieving laurels within the workforce across industries. We are confirmed that our students will be able to make a difference to your organization, and we invite you to join hands with us.

With profound regards,

Mr. Sundar Rajan S

From the Associate Dean
Faculty of Social Sciences
SRM University Sikkim

Education that students receive undergoes a true test when they start working. To empower the students to sail through this test successfully, is what SRM does for its students. The graduates in this University are groomed with holistic approach, under the canopy of conducive learning environment and experienced faculty members. These graduates are not only academic degree holders but also competent and skillful persons, who have prepared themselves to prove their technical skills, social skills and life skills. We, at SRM Sikkim, try to bring their best by giving these students right exposure through refined curriculum, training and workshops, field and industry experiences, case studies and projects and life situations.

It is my pleasure to present our students at your threshold for their onward journey and wish them best and success in all their future endeavours.

Ms. Manisha Thakuri

From the Associate Dean

Faculty of Basic Sciences

SRM University Sikkim

SRM University Sikkim imparts education in different disciplines. The programs of the University are designed in such a way so that it prepares the students to find their respective role in their real life situation and enable them to face the challenges of professional life. By providing facilities and expertise through its infrastructure and faculties, the university facilitates the students to explore and shape their talents.

As per the dynamic nature of the corporate world, Placement & Training Cell is relentlessly and continuously working to empower students to meet the industry requirements and challenges.

Simultaneously, it also provides guidance to the students to upgrade their skills, which are required by potential employers in the dynamic environment. The cell organizes numerous programme to enhance the personality and employability of the students and groom them to become successful professionals.

I deem it a great privilege to invite your recruitment team to visit our campus for the final placement & summer internship recruitment.

Dr. Sambasivam Sangaraju

SRM University Sikkim

SRM University Sikkim, has completed its productive four years of existence in Sikkim. It was established under the Shri Ramasamy Memorial University, Sikkim Act 2013 (Act No.13 of 2013), enacted by the Government of Sikkim. The University has been able to give a conducive environment for the students to learn the program of their choice.

Being one of a kind, the University has given the best of education, with various industrial exposure in addition to preparing the students with sound skills and confidence not just to excel in their career but to face the challenges of life. The University has already started its journey towards becoming the best University in the hills, catering to both national and international students across the world and bringing in world class education with unmatched infrastructure and outstanding facilities. SRM University Sikkim graduates possess global perspective, both in terms of academic inputs and their preparedness in accepting challenges posed by the modern society and overcoming them.

VISION

- To emerge as a world class hub of knowledge acquisition and skill development.
- To provide higher education to a vast majority of population in North Eastern region with a unique learner centric model of education.
- To make education socially relevant, industry oriented, and inclusive in all respects.

MISSION

- To achieve the status of Centre of Excellence.
- To make learners accomplish a high degree of academic achievement and cherish their association with the SRM University forever.
- To develop a knowledge repository of international standard and to be relevant globally.
- To be in the forefront in building human resources by fostering freedom, empowerment, creativity and innovations.
- To create employment avenues to the people of North Eastern Region and in particular to the people of Sikkim through several skill based learning modules.

FEATURES

SRM University Sikkim holds promise and great potential in turning itself into a leading source of knowledge acquisition and skill development. The programs have been designed to be job-oriented and industry-relevant. The learners would have opportunities in exposing themselves to a multiplicity of learning experiences. Here are some of the features of the SRM University Sikkim:

➢ Semester Pattern and Credit System for all streams.

➢ Harnessing all sources of knowledge including the expertise available in Industries and Institutes of Excellence.

➢ Value additions in terms of latest technology inputs to make learning interesting and broad-based.

➢ Developing specific skill sets in students to turn them into industry-ready individuals by providing quality education   and by creating excellent on-campus facilities.

➢ Scientific and objective evaluation system to establish credibility and standing for the degrees awarded by the University.

➢ Mentoring by industry practitioners and professionals.

➢ The faculty exploits modern scientific methods in the teaching-learning process to create and promote cognitive learning experiences.

Placement & Training Cell

A well-knit team of Placement Officer, Asst. Placement Officers and Coordinators lead by Chief Placement Officer are proficiently working for building industry-institution interaction and corporate relationship, nationally and internationally to bring forth numerous avenues for the students' work life. The Placement & Training Cell, with the support of Career Guidance Cell is not only facilitating Placement but also provide finishing school training. The career guidance classes that have been included in the curriculum of every discipline caters to the students' personality development, personal grooming and aptitude building thereby making the students industry-ready. Also, the final year students are taken to SRM Institute of Science & Technology, Chennai, for a Campus Exchange program, where they are given the opportunity to attend campus placement and skill development trainings. The placement officials, SRM University Sikkim in collaboration with the placement officials, SRMIST, Chennai help students to take this facility.

School of Information Technology

School of Information Technology was established in 2014. The School started by offering the following programs MCA, MSc.IT, BCA, BSc.IT. The School of Information Technology is well equipped for training the students with state-of-the-art curriculum. The curriculum provides an ambient atmosphere for learning and acquiring new skills. In order to maintain the standard of education, the Department constantly upgrades the academic syllabi so as to keep the students well trained to deal with changing trends in the field of Information Technology.

An ultra-modern computer laboratory, a highly sophisticated computer lab with 24 hours internet connection. The facility provides a great learning and research environment for both students and faculties. The entire campus is equipped with Wi-Fi facility.

COURSES:

- Bachelor of Computer Applications (BCA)
- Bachelor of Science in Information Technology (B.Sc. IT)

Course Structure

BACHELOR OF COMPUTER APPLICATIONS (BCA)

BCA (Bachelor of Computer Application) program in the field of computer applications is customized for students wishing to shine in the field of computer science and information technology. This program aids the students to get a sound understanding on computer applications which can give them a perfect start for a challenging career in the field of information technology. This program prepares students with the necessary skills to build successful careers in the information sector.

Objectives of the Programme

The syllabus and course content are designed keeping in mind the current requirements of the specific industry. The objectives are:

- To exhibit analysis, problem solving and design skills to establish a productive career in industry, government organizations and academia by using C, C++ and Java.
- To prepare students to showcase effective contribution in career through application of emerging technologies like HTML, CSS, JavaScript, XML, ASP, JSP and many more.
- To develop effective communication skills, teamwork skills, professional and ethical attitude benefitting the society.

Structure of the Programme (Duration 3 years)

FIRST YEAR

- ✓ Programming in C
- ✓ Programming in C++
- ✓ Digital Logic Fundamentals
- ✓ Data Structures and Algorithms
- ✓ Mathematics for Computer
- ✓ Scripting Languages Lab
- ✓ Basic Statistics
- ✓ Environmental Studies
- ✓ Business Communication
- ✓ Human Rights and Professional Ethics

SECOND YEAR
- ✓ Core Java Programming
- ✓ Advanced Java Programming
- ✓ Database Management Systems
- ✓ Computer Networks
- ✓ Operating System and Unix
- ✓ Software Engineering
- ✓ Management Information System
- ✓ E-Commerce and M-Commerce
- ✓ Accounting and Financial Management
- ✓ TCP & IP Networks
- ✓ Leadership and Team Management

THIRD YEAR
- ✓ Cloud Computing
- ✓ Big Data and its Applications
- ✓ Enterprise Resource Planning
- ✓ Software Testing
- ✓ Data Mining and Warehousing
- ✓ Information and Storage Management
- ✓ Open Source Technologies Lab
- ✓ Data Analytics / Business Intelligence
- ✓ Health Care Information System / Banking Services
- ✓ Entrepreneurial Development.

Mini Project

During the fifth semester each student works on an internal project for a period of sixteen weeks in which students have to develop an application / software. In this project, the students apply their previous semesters learning under the guidance of faculty coordinator. The objective is to allow students to choose an area of their choice in which they are comfortable or knowledgeable. At the end of the project, students are assessed by an internal examiner on the basis of their performance during the period by way of a report writing, viva-voice and power point presentation on the product they develop.

Major Project

During the final semester each student works with an organization on a project for a period of sixteen weeks. The students apply their previous semesters learning to develop software product / application. The objective is to allow students to choose a topic/areas of their choice in which the students are comfortable or knowledgeable. At the end of the project, they are assessed by an internal as well as external examiner on the basis of their performance during the period by way of a report writing, viva-voice and power point presentation on the product they develop.

BACHELOR OF SCIENCE IN INFORMATION TECHNOLOGY (BSC IT)

Bachelor of Science in Information Technology, (abbreviated BSIT or B.Sc. IT), is a Bachelor's Degree awarded in the field of IT. This program provides theoretical and practical knowledge for storing, processing and communicating information between computers or any other electronic devices.

Objectives of the Programme

The syllabus and course content are designed keeping in mind the current requirements of the specific industry. The objectives are:

- To exhibit professional and ethical responsibilities and learn the skill sets to make effective use of modern engineering tools, software equipment, and technique for engineering practices.
- To enhance in-depth understanding of the impact of engineering practices on all aspects of society and the ability to work in multidisciplinary environments to manage projects.
- To trained in Software development, Software Testing, Web Designing, Web site maintenance, etc.
- To gain in-depth knowledge of cloud computing to facilitate the vendors to reach out to customers through software, application, hardware, storage, etc.

Structure of the Programme (Duration 3 years)

Faculty Profile

Mr. Sundar Rajan S

Mr. Sundar Rajan is the Associate Dean of School of IT, received his M.E. degree in Computer Science & Engineering from Anna University, Chennai in the year 2009. He is currently pursuing his PhD degree in CSE from St. Peter's University, Chennai. He has over 17 years of experience in academia. He is a life member of the Indian Society for Technical Education (ISTE), Member of Computer Science Teachers Association (CSTA) and International Association of Engineers (IAENG).

Ms. Dibya Thapa

Ms. Thapa is heading the School of IT, SRMUS. She did her M.Tech in CSE from Galgotias University. Her areas of expertise include Computational Neuroscience and DBMS. Prior to joining SRM University Sikkim she was a lecturer in Vinayaka Mission Sikkim University and a visiting faculty in Sikkim University. She has experience of working in corporate & educational sectors. She joined SRM University Sikkim in the year 2015.

Mr. Shajahan . B

Mr. Shajahan is serving working as an Assistant Professor (Sl. Grade) in the School of IT. He has over 14 years of experience in Academia. He has completed his M.E in Computer Science and Engineering from Annamalai University. He also done his MBA from Pondicherry University. He is currently pursuing his PhD in Information and Communication Engineering. He is also an active member in Indian Society for Technical Education (ISTE) and Computer Society of India (CSI). He is also Coordinator for ERP System of the University.

Mr. Tamilselvan . T

Mr. Tamilselvan joined SRM University Sikkim in the year 2015 as an Assistant Professor in School of Information Technology and he also holds the position of Assistant Controller of Examination, University Examination Cell. His areas of specialization include Data Mining and Computer Networks. He did his M.E in CSE from Anna University, Chennai and MCA from PSG College of Technology, Coimbatore. He has more than 11 years of experience in teaching field. He has published six Scopus indexed journals.

Mr. Deepak Subedi

Mr. Subedi joined SRM University Sikkim in the year 2015 as an Assistant Professor. He is an M. Phil in Mathematics from NEHU. He is expertized in the area of Number Theory. He has more than seven years of experience in teaching field.

Ms. Sabna Sharma

Ms. Sharma, an Assistant Professor, did her M.Tech in CSE from Sikkim Manipal Institute of Technology, Majhitar. Her areas of expertize include Image Processing and Geographical Information System. Prior to joining SRMUS she was a lecturer at Vinayaka Mission Sikkim University, Tadong (Gangtok). She has experience of working in corporate (IT) and educational sectors. She joined SRM University Sikkim in the year 2015.

Ms. Ojaswani Dubey

Ms. Dubey is an Assistant Professor in School of Information Technology, SRMUS. She is an M.Tech in CSE from SRM Institute of Science & Technology, Chennai. Her areas of expertise include Software Engineering, Mobile Computing and Database Management Systems. She is also Coordinator for NSS Cell of the University.

Mr. Nawang Lama

Mr. Lama, an Assistant Professor completed his M.Tech in CSE from Sikkim Manipal Institute of Technology, Majhitar. His areas of specialization are Computer Networking and Robotics. He worked as a Networking Administrator in National Informatics Centre (NIC), Gangtok, Sikkim. His achievement includes designing of two Module for Integrated Land Record Management System (ILRMS) during his Land Revenue Project. He also designed Election EVM Randomization Software.

Mr. Prasant Pradhan

Mr. Pradhan joined SRM University Sikkim in the year 2016 as an Assistant Professor in School of Information Technology and also serving as Coordinator for Transportation Department of the University. His areas of expertise include Computer Networking and Information Security. He did his M.Tech in Information Technology from Sikkim Manipal Institute of Technology, Majhitar. He has working experience in education as well as in corporate sectors. He also worked as a Networking Administrator in National Informatics Centre (NIC), Gangtok, Sikkim.

Ms. Hema Malini . S

Ms. Hema Malini is an M.Tech in CSE from SRM Institute of Science & Technology, Chennai. Her areas of expertise include Data Mining, Mobile Computing, Software Engineering and Database Management. Prior to joining SRM University Sikkim she was working as an Engineer in HCL Info System. She has experience of working in both corporate & education sectors. She has presented papers and published in indexed journals. She has done online courses including Practical Machine Learning, Developing Data Products and Getting and Cleaning Data from the Johns Hopkins University, and Welcome to Game Theory from the University of Tokyo. She is also Examination Coordinator for the Department.

Students Testimonial

Name	Recruited By	Testimonials
Monika Mondal MBA (2014-16)	Quadrant 4 Systems, Chennai	I am very grateful to the dedicated effort put by the SRM family to shape my career to what it is today. The trainings and learnings that I have had in the University has been of great use to me in my personal and professional life. I thank for the uninterrupted support extended to me for my placement. It is an honour to be an alumnus of SRM University Sikkim and to carry forward my dream career from here.
Hiresh Tiwary MCA (2014-17)	FRHS, Delhi	The journey in SRM University Sikkim, has been a real learning experience for me. It has helped me channelize my life to the right direction, specifically into my career. The teachers and the Heads of departments are focused on the wellbeing of students. The practical classroom exercises have helped me discover my real interest and work on my skills. I extend my gratitude to the institute for all the support they showered on me for my welfare and development.
Denchoki Lachungpa MBA (2015-17)	Mercedes Benz, Chennai	I feel immensely proud for having studied in SRM University Sikkim. The conducive leaning environment, the student friendly system and right amount of exposure to make us job ready are highly commendable aspects of the university. I sincerely thank my teachers and the placement team for their immense support to get me placed in the right avenue.
Nitesh Roy MBA (2016-18)	Religare Securities Ltd., Kolkata	SRM University Sikkim stands uncontested on its motto *"Learn, Leap, Lead".* It has built my life and career and has provided me ample opportunities to improve my skills. I heartily thank the Management and all the faculty members for their guidance and support. I specially thank the Placement and Training Cell of the University for providing the opportunities to showcase my skill and help me identify my shortcomings.
Migma Doma Lama MBA (2016-18)	Indiabulls, Kolkata	It has been a great experience to be a part of SRM family. It's difficult to sum up the memories and experience of two years in few lines. All the faculty and staff members are very helpful and they guided us all the time. Different events and sessions did boost my confidence to a great extent that I can experience at my workplace now. Thanks to all who have been a part of my life in encouraging me.

Dhiraj Chettri MBA (2016-18)	HDFC Bank, Mumbai	Firstly I would like to thank SRM University Sikkim for all the opportunities it has provided me. The two years that I have spent here have been a great learning experience, working with classmates and professors from a wide range of backgrounds and industry experience. With the help of the placement team at SRMUS I got placed at HDFC Bank even before I completed my Postgraduate program. I feel extremely delighted to see my dream come true.
Sachita Chettri BSc IT (2015-18)	Sibin Group, Gangtok	SRM University Sikkim helped me define myself better. One of the best things of our University is the dedicated placement team, which not only facilitates placement but also guides us to find the best recruiters in the industry. They also train us for career development. The University has really helped me blossom.
Priyanka Chettri BSc HTM (2015-18)	IndiGo, Kolkata	The Placement Cell of SRM University Sikkim, has been quite active in terms of both finding career options as well as encouraging the students to make the most of the opportunities available. Personally, I have received very positive results through the Placement Cell of the University. There have been opportunities offered to me which were as diverse as working as a trek leader to as a cabin crew and as hotel associate. I am hopeful that with the team's active efforts, more students from the University will make excellent career choices and will be successful in their career endeavours.
Pragiti Gupta BBA (2015-18)	Integrated Resources Inc., Pune	SRM University Sikkim, provides the students with excellent placement opportunities. Our university being an emerging one has quickly gained popularity within no time because of its excellent placements on and off the campus.
Manisha Kumari BCA (2015-18)	Genpact, Kolkata	It gives me immense pleasure to thank SRM University Sikkim, for providing me a platform to establish myself in the corporate field. It would not have been possible without the support which I got from the faculty of the University & my ever inspiring parents. I thank SRM University Sikkim for building my career and making me acceptable anywhere in the corporate world.
Sangeeta Dutta BSc IT (2015-18)	Concentrix, Kolkata	Studying at SRM University Sikkim enriched my life. It's difficult to sum up the memories and experience of three years in a few lines. There is something motivational and special in this environment and infrastructure which made us study and enjoy co-curricular activities. All the faculty and staff members are very helpful and guided us all the time. My future is totally based on my career for which I am grateful to the Placement & Training Cell that continuously provided assistance to the students regarding their placement.

How to Reach SRM University Sikkim?

By Air

The nearest airport is Pakyong Airport at a distance of 35 km from Gangtok, the State Capital of Sikkim. This airport is connected to Guwahati, Kolkata & Bhutan. The other nearby airport is Bagdogra Airport near Siliguri, which is at a distance of 124 km from Gangtok. This airport is connected to Kolkata, Delhi and Guwahati. International travelers can get connecting flights from Kolkata or Delhi. Both are well connected with many cities in India and abroad. Helicopter services are available from Bagdogra to Gangtok, only once during the day.

By Train

The nearest rail head is New Jalpaiguri, which is nearly 148 km from Gangtok. It is well connected to most of the major cities in India.

By Road

The roads of Gangtok are well maintained and makes for a safe drive. The highway 31A connects this place with the neighboring cities and many others too. Bus services are also available on daily basis.
