MESSAGE FROM  
The Chancellor,  
SRM University Sikkim

The realization of our vision for SRM University Sikkim as a premier institution has been affirmed with the prestigious NAAC A+ accreditation achieved in its inaugural cycle. This milestone underscores our commitment to excellence in education, further strengthening our position as the leading private university in Sikkim.

Our professional programs have received the seal of approval from AICTE, affirming their quality and relevance. Additionally, our ISO certification reflects our dedication to maintaining high standards across our campus. Through these accomplishments, we have played a pivotal role in raising the bar for education in the North-eastern region of Sikkim.

Our success is a testament to the trust and confidence bestowed upon us by our stakeholders. We remain steadfast in our commitment to upholding this trust, continuously striving to exceed expectations. Our unwavering dedication extends to providing comprehensive support, including placement assistance, to ensure the optimal growth and development of your ward.

True to our motto, we are dedicated to nurturing students to learn, leap, and lead, thereby shaping them into confident and capable leaders of tomorrow.

**Dr. P. Sathyanarayanan**  
**Chancellor**

MESSAGE FROM  
The Vice-Chancellor,  
SRM University Sikkim

I am proud to reflect on the remarkable journey of SRM University Sikkim, which has flourished over the past decade. Our institution has garnered numerous accolades and distinctions, setting its reputation as a beacon of quality education in Sikkim.

I am proud to announce that SRM University Sikkim is now at the forefront of implementing the National Education Policy, offering students the freedom to pursue the program and course of their passions and interests. With the introduction of the Diploma alongside degree programs, we are pioneering innovative pathways for our students' academic journey.

Our commitment to academic excellence is further reinforced by our esteemed faculty members, who bring a wealth of international experience and expertise to our classrooms. Their dedication enhances the quality of education and pedagogy, enriching the learning experience for our students.

Moreover, we have made significant strides in bolstering our infrastructure, particularly in research facilities equipped with cutting-edge instruments. This investment cultivates a vibrant research culture within the university, empowering students and faculty alike to explore new frontiers of knowledge.

At SRM University Sikkim, we prioritize a student-centric approach to education, fostering transparent communication and collaboration between the university, students, and parents through our ERP system. Through workshops, training sessions, field visits, guest lectures, and exchange programs, we ensure that our students receive a well-rounded education that prepares them for success in the ever-evolving global landscape.

As we embrace innovation in our teaching-learning pedagogy, we remain committed to keeping our students abreast of current trends and techniques, equipping them with the skills they need to thrive in their chosen fields.

Thank you for entrusting SRM University Sikkim with your academic aspirations. Rest assured, we will continue to provide unwavering support and guidance to ensure that every student realizes their dreams and reaches new heights of success.

**Prof. Ch. Satish Kumar**  
Vice Chancellor

MESSAGE FROM  
The Chief Placement Officer  
SRM University Sikkim

Dear Recruiter,

It gives me immense pleasure to present our students of SRM University Sikkim for final placements. The SRM University Sikkim family is driven by the purpose of developing a continuous and strong industry-academia interaction that helps the University to understand the dynamics of challenges faced by the industry which forms the building block of curriculum reviews and case-based teaching methodology by different Schools. We are transforming our students to take up the challenges of the corporate world. If you are looking for the best-groomed students from North-East India, SRM University Sikkim is one of the best choices that can meet your expectations to add to your Organization's Human Resources. Our alumni have also made us proud time and again by achieving laurels within the workforce across industries. We are confirmed that our students will be able to make a difference in your organization, and we invite you to join us.

With profound regards,

**Dr. Sundar Rajan S**

# ABOUT THE SRM GROUP OF INSTITUTIONS

Education is all about creating an environment of academic freedom, where bright minds meet, discover and learn. At SRM, one will find a “top of the world” living and learning experience, which provides paramount standards of education.

With an academic legacy of 39 years, the SRM Trust has four Universities under its umbrella:

1. SRM Institute of Science and Technology, Chennai
2. SRM University, Haryana
3. SRM University, Andhra Pradesh
4. SRM University Sikkim

## SRM Institute of Science and Technology, Kattankulathur | Chennai

The SRM Institute of Science and Technology (formerly known as SRM University) is one of the top-ranking universities in India with over 52,000 students and more than 3200 faculty across all the campuses – Kattankulathur, Ramapuram, Vadapalani Campus – all in and around Chennai, Tiruchirappalli (in TN), and campuses in other states Modinagar (in UP) and Sonapat (in Haryana) – both of which are located near Delhi NCR, Amaravati (in AP), Gangtok (in Sikkim) – offering a wide range of undergraduate, postgraduate and doctoral programs in Engineering, Management, Medicine and Health Sciences, as well as Science and Humanities. Faculty from foreign universities, a flexible and dynamic curriculum, exciting research, and global connections are features that set SRM apart. Students can choose from a wide range of cutting-edge programs including nanotechnology, bioinformatics, genetic engineering, remote sensing and GIS, embedded systems, or computer forensics. Most of these courses are offered in close collaboration with foreign universities.

SRMIST has been accredited by NAAC with the Highest ‘A++’ Grade in the year 2018.

SRM University, Haryana was established as a State Private University under the Haryana Private Universities Act, 2006 (as amended by Haryana Act No. 8 of 2013), in furtherance of the objective of the SRM group to reach out to a greater number of stakeholders in Northern India. This University aims to emerge as a leading world-class educational institution that disseminates knowledge upholding the highest standard of instruction in all fields of study.

It is a multidisciplinary University with all the privileges and pride to exist and expand as a world-class educational institution. SRM University, Haryana is set in sylvan surroundings amidst lush green fields. Students from over twenty-five different States and UTs of India and also various parts of the world study here. At present, the University is offering sixty-eight programs. The campus is well-equipped with laboratories, sports, transport, healthcare, and other recreational facilities. Hostel facility is provided inside the University campus for students (Boys and Girls) as well as staff.

SRMUH is the first Indian University powered by the National Association of Software and Services Companies (NASSCOM) Future Skill. It was ranked first for excellence in IT Enabled Learning by Education World India Higher Education Rankings 2021-22. It is also the first University to have an academic affiliate with the Institution of Engineering and Technology (IET), Haryana.

SRM University, Andhra Pradesh is the youngest among the SRM groups of Education Institutions. It is a multi-disciplinary research-intensive institute combining academic rigor, an evolving research ecosystem, entrepreneurial heritage, and pioneering faculty. As a leading tertiary education institution, SRM AP has been challenging the conventional learning ecosystem since its inception to create a novel avenue where passion for wisdom meets purpose and excellence.

With students in India seeking more interdisciplinary programs and flexibility in learning, SRM AP has a revamped curriculum with an increased focus on experiential learning (learning through doing) and technology-enabled active learning. The university has introduced 'Inter-Disciplinary Experiential Active Learning' (IDEAL) to promote education across the boundaries of disciplines.

# ABOUT SRM UNIVERSITY SIKKIM

SRM University Sikkim was established under the Shri Ramasamy Memorial University, Sikkim Act 2013 (Act No.13 of 2013), enacted by the Government of Sikkim and has completed eight years in Sikkim. A University that is one of a kind in the region, SRM University Sikkim provides world-class education with unmatched infrastructure and a well-qualified, outstanding faculty. Students have a broad range of subjects—from the Sciences, Social Sciences, IT, Management as other professional and vocational programs—to choose from. Apart from academics, the University also provides a forum for co-curricular and extra-curricular activities for the all-round development of the students. These year-round activities are augmented by regular webinars, seminars, field visits, industrial exposure, events and competitions. Located in the mountain state of Sikkim in the northeastern region of India, SRM University Sikkim is ideally situated to facilitate the comprehensive development of students not only from the region but also from neighboring countries such as Nepal, Bhutan, and others.

## **Global Perspective:**

Sound infrastructure, and faculty with global academic training and exposure ensure that graduates and post-graduates from SRM University Sikkim obtain an all-round global perspective, both in terms of academic inputs and their preparedness to negotiate challenges posed by modern society.

## Vision

- To emerge as a world-class hub of knowledge acquisition and skill development.
- To provide higher education to a vast majority of the population in the North Eastern region with a unique learner-centric model of education.
- To make education socially relevant, industry-oriented, and inclusive in all respects.

## Mission

- To achieve the status of Centre of Excellence.
- To make learners accomplish a high degree of academic achievement and cherish their association with SRM University forever.
- To develop a knowledge repository of international standards and to be relevant globally.
- To be at the forefront of building human resources by fostering freedom, empowerment, creativity, and innovations.
- To create employment avenues to the people of the North Eastern Region and in particular to the people of Sikkim through several skill-based learning modules.

## Features of SRM University Sikkim

SRM University Sikkim holds promise and great potential to transform itself into a leading source of knowledge acquisition and skill development. The academic programs run by the University have been designed to be job-oriented and industry-relevant. Learners will have the opportunity to receive exposure to a multiplicity of learning experiences.

### Some of the key features of SRM University Sikkim are:

- **Comprehensive Curriculum:** SRM University Sikkim offers a holistic curriculum aligned with the National Education Policy (NEP), providing students with diverse choices to pursue the programs of their academic interests.
- **State-of-the-Art Facilities:** The campus boasts well-furnished classrooms equipped with cutting-edge ICT tools, alongside state-of-the-art labs spanning various disciplines including sciences, IT, journalism, and multidisciplinary research.
- **Exceptional Faculty:** Comprising nationally recognized experts with international exposure, the faculty members bring a wealth of knowledge to the classroom, ensuring an enriching learning experience for students.
- **Research Excellence:** Research is a primary focus at the university, with professors and students engaged in funded projects from prestigious national and international agencies, fostering innovation and discovery.
- **Industry Integration:** SRM University Sikkim maintains strong industry connections, facilitating real-world training, internships, and collaborative projects for students, enhancing their practical skills and employability.
- **Robust Student Support:** The University offers comprehensive support services, including counseling, career guidance, placement assistance, and opportunities for extracurricular activities, ensuring the holistic development of students.
- **Accreditation and Recognition:** With accolades such as an "A+" accreditation from NAAC, approval from AICTE for professional programs, and recognition as the Best Private University in Sikkim, SRM University Sikkim upholds high standards of quality and excellence.
- **Technological Advancements:** The campus is technologically advanced, featuring a 1GBPS internet connection, Wi-Fi accessibility for all, and a sophisticated Learning Management System (LMS) and Enterprise Resource Planning (ERP) system, facilitating seamless connectivity and communication.
- **Inclusive Learning Environment:** Embracing cultural diversity, the University welcomes students from various states, countries, and communities, fostering an inclusive environment that promotes cross-cultural exchange and learning.

# Certifications and Awards of the University

Awarded Best Private University  
at Sikkim Awards 2023

**NAAC A+**  
Accredited

ISO Certified

**AICTE**

**GREEN CAMPUS**  
Certified

## Technology

Keeping pace with digitization, the University has a fully equipped computer lab that serves all stakeholders of the University while also providing a space for on-the-job training programs for aspiring IT professionals of various government schools of the state.

The key features of the University's technology department are:

- The entire campus is Wi-Fi enabled offering 24 hrs internet connectivity.
- The University also offers smart classrooms - complete with audio and video connections. Every classroom is equipped with projectors.
- All computers are well maintained with the latest Operating System and software.
- The campus is facilitated with access to a digital library for both students as well as faculties.

## Multi-Disciplinary Lab

SRM University Sikkim promotes multi-disciplinary research through its well-equipped laboratories dedicated to cutting-edge research in Physical and Life Sciences. It houses advanced laboratories equipped with sophisticated instruments, supporting cutting-edge research in plant sciences, molecular biology, cancer research, traditional medicines & neurodegenerative disorders, microbiology, animal biotechnology, nano-material synthesis, theoretical high energy physics, computational material science, soft condensed matter physics, and natural product chemistry. This dynamic environment promotes interdisciplinary research and scientific breakthroughs.

The Multi-Disciplinary Lab includes the following laboratories:

- Central Instrumental Facility
- Phytobiology Research Laboratory
- Zootech Innovations Laboratory
- Synthetic Research Laboratory
- Optical and Electronics Research Laboratory
- Laser-Matter Interaction Research Laboratory
- Cell Culture Facility

## Audio-Visual Lab

Boasting state-of-the-art infrastructure and meticulously designed spaces, the studio sets a new standard in media production and learning within Sikkim. Equipped with cutting-edge technology including a Chroma background and Editing Setup, students have access to tools that enable them to explore their creative boundaries. This studio not only facilitates high-quality recorded lectures by faculty members but also serves as a hub for innovation, allowing students

to delve into projects with unprecedented depth and sophistication. With its comprehensive facilities and commitment to embracing technological advancements, the Audio-Visual Studio embodies SRM University Sikkim's mission to nurture a new generation of media professionals equipped to thrive in the digital age.

### **Learning Management System (LMS)**

SRM University Sikkim has embraced a Learning Management System meticulously crafted to facilitate online learning and streamline course management. This comprehensive platform empowers educators and learners to craft, deliver, and oversee digital learning experiences with precision. It provides an array of tools for content creation, assessment, communication, and collaboration, enabling instructors to craft captivating and interactive courses. The LMS bestows innumerable benefits upon students, enriching their learning journey and academic pursuits as listed below:

- Accessibility and Flexibility
- Engaging Learning Experience
- Effective Communication
- Personalized Learning
- Empowerment and Achievement

### **Language Lab**

The University has a well-equipped English Language Lab. Through this lab, the students learn Phonetics content as well as soft skills. It offers a comprehensive platform for learners to master both language proficiency and essential life skills. The course content for the Communication Skills is available at three levels viz. Beginner, Intermediate, and Proficient comprising over 150 sessions.

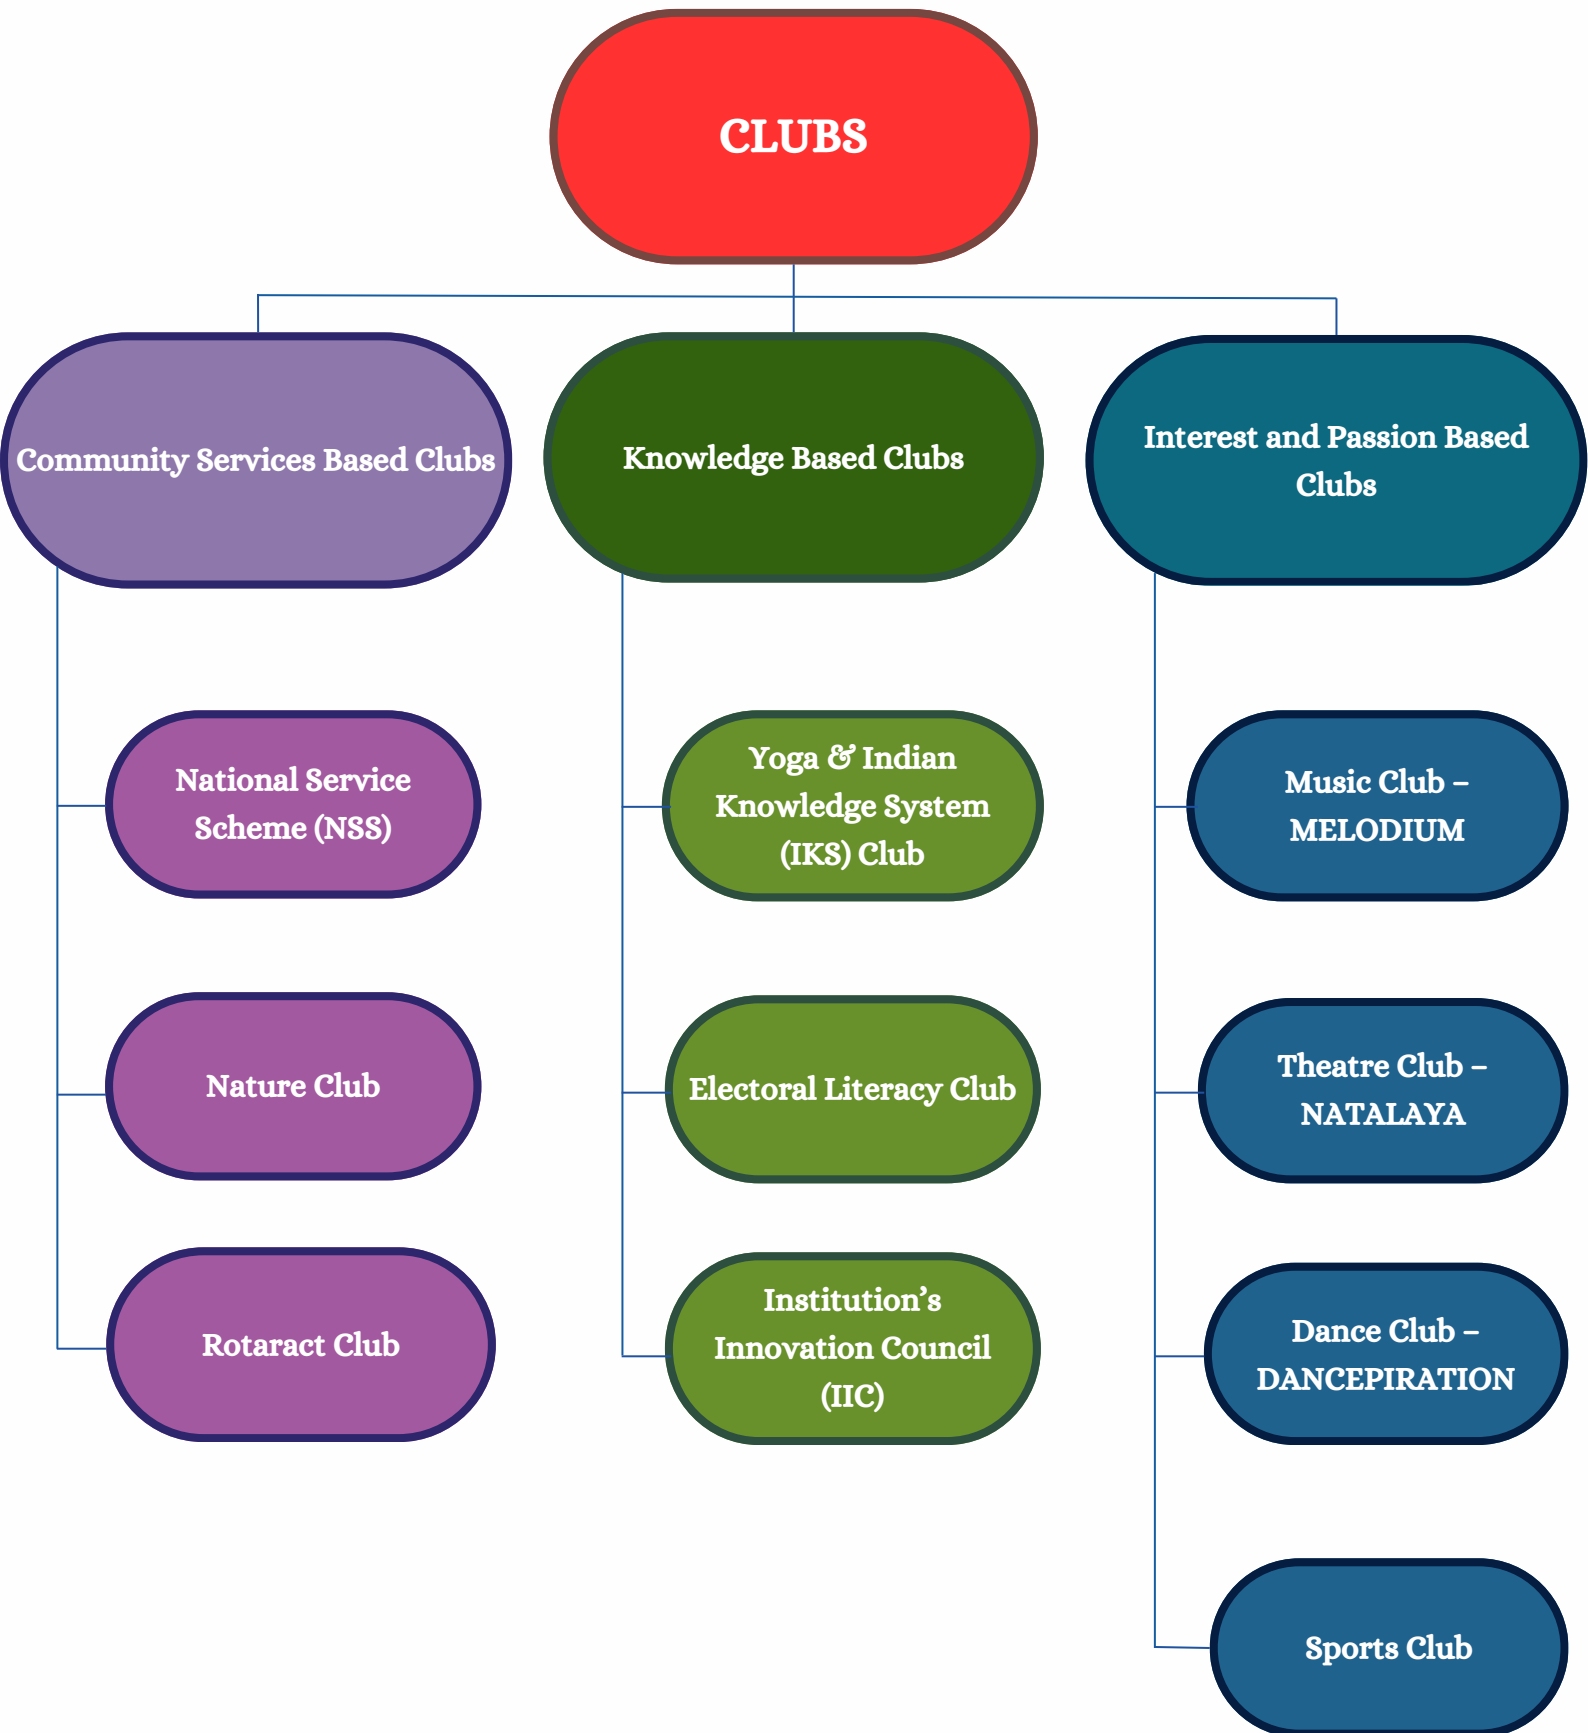

The key features of the language lab are:

- Language Proficiency Enhancement
- Phonetics Training
- Soft Skills Development
- Interactive Multimedia Content
- Personalized Learning Paths
- Real-time Assessment and Feedback
- Collaborative Activities

### **Library**

A convenient knowledge house with a healthy repository of books and reputed academic journals including E-journals has been made available on campus to empower students and the teaching fraternity with a broad and deeper understanding of their respective subjects. An automated library supported by a Library Management System serves as a reliable knowledge house in the campus.

# STUDENTS DEVELOPMENT CLUBS

# CAREER DEVELOPMENT CENTRE (CDC) AT SRMUS

The Career Development Centre (CDC) is dedicated to bridging the gap between academic learning and professional success by building strong industry-academia connections and creating valuable career opportunities. The CDC provides personalized career guidance to students for navigating the evolving job market, alongside facilitating internships, job placements, and skill-building workshops. The CDC supports students with resume development, interview preparation and understanding industry trends to enhance their career readiness. Furthermore, the CDC assists students with program selection and applications for further studies. For students aspiring to be entrepreneurs, CDC provides mentorship and workshops to turn innovative student's business ideas into a successful venture. Our commitment is to empower students to realize their full potential, achieve professional success, and experience personal growth through comprehensive support and resources.

- Integrated Marketing Communication
- Marketing Research
- International Marketing
- Sales and Distribution Management
- Digital Marketing and E-Commerce

## **Summer Internship**

During the third semester, each student works with an organization on a project for a period of a minimum of four weeks. The objective is to allow students an intense full-time interaction with organizations. Summer internship provides exposure to the student in the working of an organization in real-time. It also helps students to develop managerial skills and competencies and facilitates an informed career choice by the students. At the end of the internship, they are assessed on the basis of their performance during the period by way of a report, viva-voice, and power point presentation.

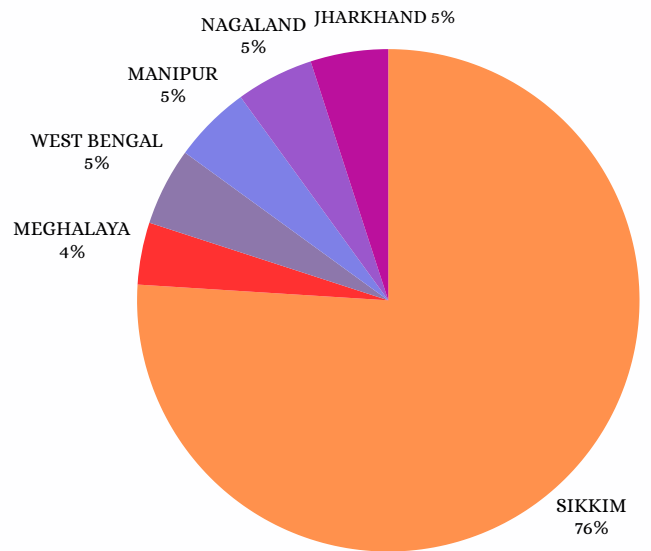

## **Main Project/ Internship**

During the fourth semester, each student works with an organization on a project for a period of a minimum of eight weeks. The students apply the theoretical concept learned in the first three semesters to solve a real-time management decision-making problem. The objective is to allow students to choose a topic of his/her choice in an area in which the students are comfortable or knowledgeable in a given specialized field. At the end of the project, they are assessed by an internal as well as external examiner on the basis of their performance during the period by way of a report writing, viva-voice and PowerPoint presentation.

**SAWRI AGARWAL**  
MBA (2022-24)

### UNIQLO

I am proud to be a part of SRM University, Sikkim. This university is renowned for being a great place to secure a bright future. I have been here for five years, completing both my undergraduate and postgraduate courses, and I can honestly say it has been a wonderful experience. The learning environment is engaging and enjoyable, with excellent faculty and digitized classrooms. We receive practical knowledge through exciting field trips, and the university actively supports students' innovative ideas, helping them turn these ideas into reality. I am especially grateful to SRM University for enabling me to successfully crack the interview for Uniqlo, marking a promising start to my career.

**SUPRIYA SINGH**  
MBA (2022-24)

### Fundsroom Investment Services

I am immensely grateful to SRM University for the invaluable support and guidance provided throughout my academic journey, culminating in my placement at Fundsroom Investment Services. The university's rigorous curriculum, dedicated faculty, and various opportunities for skill development equipped me with the necessary knowledge and confidence to succeed in the professional world. I am thankful for the platform SRM provided, which paved the way for me to secure a rewarding position at Fundsroom Investment Services. I will always cherish my time at SRM and carry forward the lessons learned to excel in my career. Thank you, SRM University.

**G P TITUS PANI**  
MBA (2022-24)

### CollegeDekho

Thanks to SRM University Sikkim's incredible placement program, I'm excited to share that I've landed a position at CollegeDekho company. SRM's dedication to preparing students for the real world, along with their strong industry connections, truly paved the way for this opportunity. I'm deeply grateful for the university's support in helping me kick-start my career journey in the packaging industry. It's been an amazing experience, and I can't wait to see where this new chapter takes me.

**YOGENDRA SHARMA**  
MBA (2022-24)

### Bajaj Finance Ltd.

As an MBA student at SRM University Sikkim, I am thrilled to share my experience. The university's comprehensive curriculum, supportive faculty, and state-of-the-art facilities have truly honed my skills and prepared me for the corporate world. Thanks to the rigorous training and exposure provided by SRM, I secured a coveted placement that aligns perfectly with my career aspirations. I am immensely grateful for the opportunities and knowledge gained at SRM University Sikkim.

### ISIEINDIA Pvt. Ltd.

I want to express my heartfelt gratitude for the invaluable support and guidance I have received during my time at SRM University, Sikkim during my 5 years of journey with the Organisation (including 3 years in UG) The comprehensive curriculum, experienced faculty, and excellent infrastructure have equipped me with the skills, knowledge, and confidence needed to excel in the corporate world. The constant encouragement, mentorship, and career development initiatives provided by the university's placement cell have been instrumental in preparing me for various opportunities. I am truly thankful for the collaborative learning environment, the exposure to real-world challenges, and the placement opportunities SRM University has provided me, until I got placed at ISIEINDIA PVT. LTD.

## How to Reach SRMUS, Gangtok

### By Air

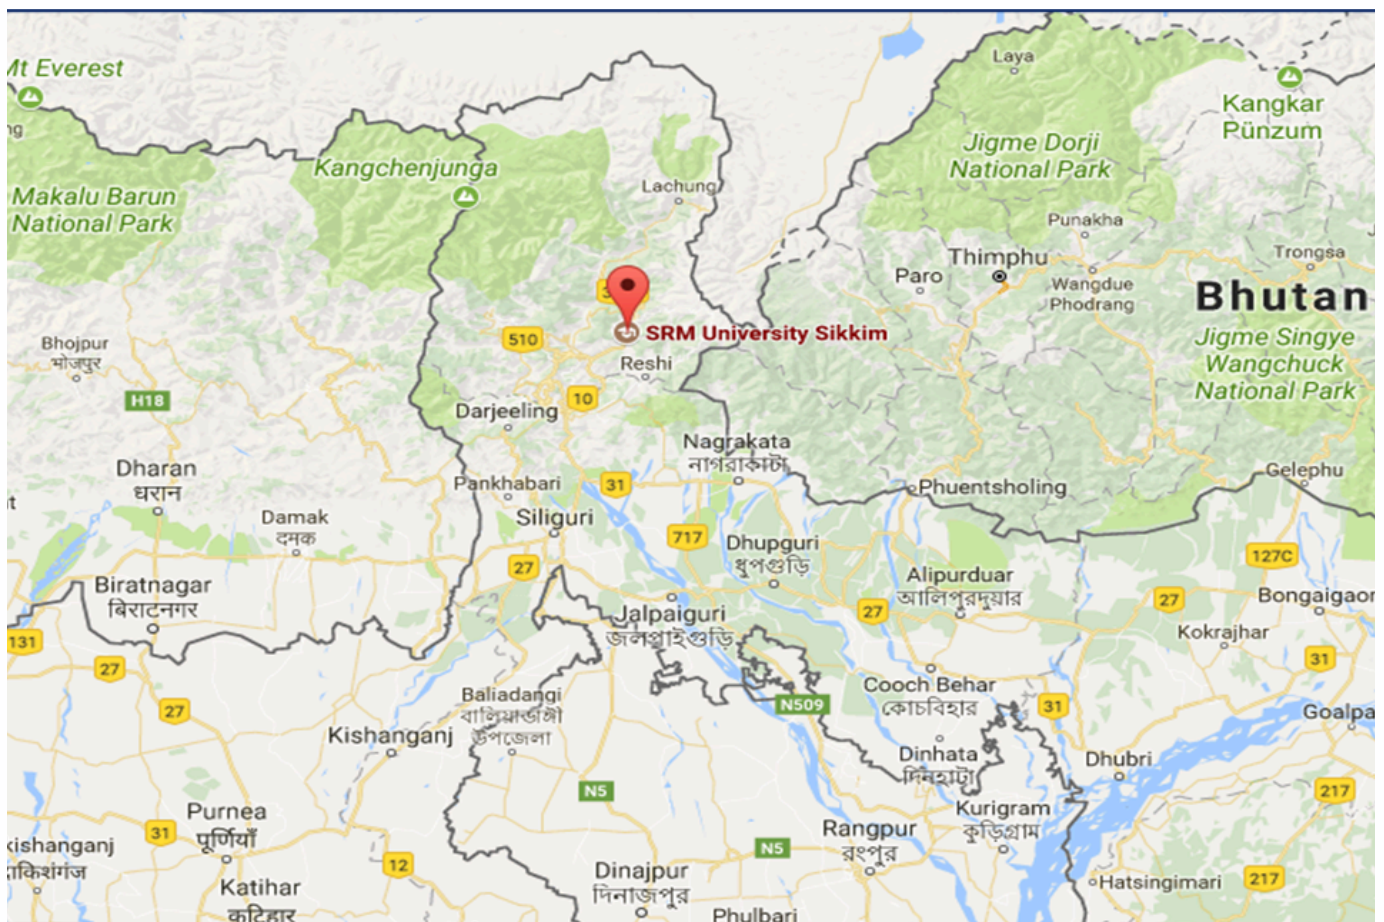

The nearest airport is Bagdogra near Siliguri, which is at a distance of 124 km from Gangtok. This airport is connected to Kolkata, Delhi, and Guwahati. International travelers can get connecting flights from Kolkata or Delhi. Both are well connected with many cities in India and abroad. Helicopter services are available from Bagdogra to Gangtok, only once during the day.

### By Train

The nearest railhead is New Jalpaiguri, which is nearly 148 km from Gangtok. It is well-connected to most of the major cities in India.

### By Road

The roads of Gangtok are well-maintained and make for a safe drive. Highway 31A connects this place with the neighboring cities and many others too. Bus services are also available on daily basis.
